DEPARTMENT OF LIBRARY  
REPORT OF BOOK EXHIBITION  
2018-2019**

---

Varvand gram shikshan santha's Eknath sitaram Divekar Department of Library has organized a book exhibition on Friday 18. Jan 2019. The exhibition was inaugurated with the auspicious hands of principle Dr. Chandrashekhar Murumkar Principle of T.C College Baramati on this occasion various dignitaries of the Santha, college principle professors and student were present.

The main aim behind organizing such exhibition is to create awareness and interested about reading. It also provides information about the kinds of books available in the library. For this exhibition the books of various subjects and types were kept. Such as history, geography, economy, mathematics, science, physics, zoology, chemistry, botany, computer science, English autobiography, novels, drama, poetry, as well as competitive exam books etc. books create a good moral human being as well as create transformation in human life about future. This awareness is created by Department of Library.

Department of Library always tries to enhance student's knowledge about human personality development. It also provide information about social, cultural, education, political, historical, and scientific section of life for personality development students can read autobiography and biography of various authors, scientist and great heroes, etc. As in impact of this students can dream about various positions of their respective fields of arts, commerce and science.

The Book exhibition was successful due to the contribution of all professors, non- teaching staff the members of library and all students. Contribution was also being made by the principle and chairmen of varvand gram shikshan santha for the successful organization of book exhibition .
